S.K.H. Tsang Shiu Tim Secondary School

Plan on the Use of the One-off Grant for AI for Empowering Learning and Teaching Funding Programme (2026/27-2027/28 School Years)

(Revised on 29/07/2026)

Area		Planning	Budget($)	Person(s) in charge
1	To purchase 5 AI powered digital whiteboards for pilot classes	To purchase and install five AI-powered interactive whiteboards in five Form 1 classrooms to facilitate AI-assisted learning and teaching activities as a pilot scheme.	200,000	Mr Shek T Ms Wong MK
2	To acquire, subscribe to or lease subject-based AI powered platforms, AI application solutions or AI-assisted learning and teaching resources	1. Chinese Language Panel To integrate automated AI Chinese essay marking systems and generative AI instructional platforms to enhance writing pedagogy. To utilise text-to-image and text-to-video AI tools to customise a school-based AI-empowered Chinese Language curriculum.	80,000	Ms Chan SC
		2. History Panel Form 2: To collaborate with the Visual Arts Panel to subscribe to AI platforms for students to design historical 4-Panel comics. This aims to enhance creative expression, digital literacy, and engagement with history through visual storytelling. Forms 3-4 To engage a service provider to develop an annual lesson and a customised VR platform for students. This interactive resource will immerse students in key World War II historical events and introduce significant historical figures to them.	80,000	Mr Pang KK

		3. Visual Arts Panel Forms 2–5: To provide students with advanced digital literacy training in professional industry-standard design software such as Adobe Creative Cloud with built-in generative AI capabilities) to target cohorts [Annual budget: $25,000]. Forms 3–5: To launch a school-based workshop series titled *"Spatial Thinking and Architectural Design in the Age of AI"* aimed at exploring the intersections of technology and spatial aesthetics for Form 3 interested students and Forms 4-5 Visual Arts students. [Annual budget: $15,000].	80,000	Ms Ho WY
3	To conduct activities for AI literacy	To subsidise students' participation in at least 2 school-organised or recognised AI activities, especially AI literacy.	20,000	Ms Wong MK Ms Wong KM
4	To acquire, subscribe to or lease school-based AI powered platform, AI application solutions or AI-assisted learning and teaching resources	To acquire, lease, or subscribe to school-based AI-powered applications, software solutions, and learning resources to equip classrooms and help teachers effectively integrate AI into daily instruction.	40,000	Mr Shek T Ms Wong MK
		Total	**$500,000**
